WINTER FLING for Youth

March 10 – 12, 2017

Calumet's Winter Fling for Youth is an excellent opportunity for youth groups to get away and spend time together learning about themselves, each other, and God's wonderful love for them.

Winter is a wonderful time to be at Calumet.

Recreational opportunities abound - weather permitting: tubing on the Toboggan Run, ice skating on Ossipee Lake, playing in the snow, broomball, sitting by a campfire on the beach

Youth Groups must be accompanied by an adult leader at the ratio of 1 leader for every 8 youth. Youth leaders will be assigned a cabin with some of the kids they accompany. There may also be kids from another group in the same cabin. This is to help in accommodating small youth groups who can only provide one leader. Every effort should be made by a youth group to have at least one male and one female leader with their group.

During the theme sessions, all retreat participants will gather together for these sessions in the CC Dining Room/Lakeside Dining Room or other assigned location. Calumet staff will serve as the overall session leaders, with youth leaders serving as small group facilitators for their own church youth. Resource material will be provided for group leaders.
